TRANSMITTAL REMARKS

This paper is submitted to inform the Examiner of certain minor changes that have been made to the copy of the specification of parent application number 08/290,665 submitted herewith.

In particular, the claim to priority on page 1 of the application and the prior and current application data in the Sequence Listing have been updated. In addition, the number "585" at the end of the last line of SEQ ID NO:154 in the Sequence Listing has been changed to "573".

These changes are believed to be ministerial in nature and do not therefore result in the introduction of new matter into the specification.

The Commissioner is hereby authorize to charge any fees which may be required for this paper or credit any overpayment to deposit account number 13-4500, order number 2026-4116US2. A DUPLICATE OF THIS SHEET IS ATTACHED.

Early and favorable action by the Examiner is earnestly solicited.

Respectfully submitted,
